DEPARTMENT NEWS.

INDIANA .-General Orders No. 11, issued at Indianapol's, by command of Gil R. Stormont, Department Commander-I. N. Walker, A. A. G .- contain the following: Many of the Aids on the staff of the Department Commander whose appointments were promulgated in General Orders, No. 8, current series, have not signified their acceptance, cousequently commissions have not been matied to them. They are again advised that no commission will be issued until this office is notified of their acceptance of the appointment. Post Commanders will please call their attention to this at once. The Commander desires to congratulate the Department on the general prosperity that it enjoys. Let recruiting committees be sent out, and let each comrade make a special effort from this time forth to increase the membership of his Post, and let a generous rivalry exist to see which Post in the Department will make the greatest relative gain during this term. Commanders of Posts who have not sent in their reports for third quarter will immediately do so, as these reports should have been forwarded on October 1, that they may be copied on consolidated reports and forwarded to National Headquarters not later than the 20th. (See Chapter Article 2, Revised Rules and Regulations.) The following rejection is announced: Jacob Margart, Co. C. 2d Ind. Cav., by Boone Post, No. 202, Zions-

Brayton; Surg., Lieut. J. B. Charlton. The Post now has a membership of 85 and is rapidly adding new members. The present Surgeon, Lieut. Charlton, was a well-known scout and valuable spy during the war, and was Commander of the Post for six successive terms.

Lincoln Post, I, of Topeka, has had several accessous to its membership roll recently, and now has about 450 members, making it the largest as well as the oldest G.A.R. Post in the State. Officers of the following Post are:

MASSACHUSETTS.-Hiram G. Berry Post, 40, of Malden, held anniversary exercises in Grand Army Hail recently, Among the guests were Department Commander Ismis and staff, Mayor J. F. Wiggin, Hon. George W. Walker, Representative Henry E. Turner, Jr., and others. A banquet was served, after which Commander F. T. Hawley made an address of welcome. Remarks were also made by Maj. Charles S. Albert Jackson Post, 300, at a l'ost meeting voted to give a concert for the benefit of its redef fund, and appointed a committee to arrange. The committee called to its aid Prof. J. N. Pohrman and Miss Margaret McDonald, two well-known teachers of music and Voice culture, who in turn secured the best voices of this city, with others from Ishpeming and Negaunce. Space will not permit full notes on the program, but Mr. Joplin and Miss Tillie Wagner inely rendered some touching songs, and the Gooding Male Quartet responded to repeated calls. Mr. George Tucker, of Ishpeming, has a raretenor voice. Among others who contributed to the success of the evening were Prof. Hughes, Mr. Clark, Miss May Anthony and Mr. T. D. Meads. The concert was given in the Casino Opera House, and our comrade whose misfortune we were trying to bridge over will get about \$160. We live up here in a cold clime, but our people have warm hearts,

ever ready to extend a helping hand, The exercises at a recent regular meeting of Chester Harding Post, St. Joseph, were somewhat out of the usual order and interesting. After the ceremonies of the muster-in of some comrades, and while the Post was at recess the pickers were driven in and the Post was taken completely by surprise and captured by the Chester Harding Relief Corps. As soon as order was restored and the members of the Post were paroled, Mrs. Long, the Secretary of Chester Harding Woman's Relief Corps, delivered a very eloquent and becoming address. This was briefly responded to by the Commander, who concluded by inviting the Corps to make themselves at home and to dispose of the Post as the kindness of their hearts might dictate. Instead of marching the Post off to Libby or Beile laie, they arranged an impromptu table of chairs, and spread a very fine and dainty lunch. After the

repust, an entertaining program of speeches, music and recitations followed, and thus a delightful evening passed. From the Adjutant's report it appears that the Post has gained since Dec. 31 last, 77 new members. There are 240 members now in good standing, and though this is the younger Post of the town, it has been in the lead during the NEW YORK .-Roberts Post, 552, of Franklyn County, has

Brown, Commander, has moved into new quarters in the new armory of the 22d Regt., N. G. S. N. Y. A very commodious and well-finished room has been assigned them, which, decorated and furnished by the Post, makes a most attractive meeting place. Plans of a very interesting nature are being formed for the coming season, and from the applications coming in and the signs of renewed enthusiasm among the members, we predict a very prosperous period. All seem determined to make a grand effort to bring the Post into the front rank, and its membership, which is of the very best, will soon give it such success as an energetic and harmonious working together insures.

A decisive action was recently taken by McCoy Post, of Columbus, in that it dropped from its rolls 110 members, these members being veterans who never attended meetings, paid no dues and presumulty took no particular interest in the doings of the Post or the welfare of the Department. As for the non-payment of dues, had any one of these members in all slocerity signified that they were unable to pay, the amount which he was delinquent would, we are sure, have been forthcoming from their comrades. understand it, it was the continual neglect of their duties as comrades and their total lack of interest the Order which precipitated this action of Partello, Mich. -Of Lieut, D. Notwithstanding the extremely rainy and unleasant night the muster of Col. Fred Taylor lost, 19, was well attended last Thursday evening. The musters have become so very interesting that unpleasant weather will not prevent the comrades from attending. The trustees are auxious to rent the Post room, which is without doubt the most handsome hall in the city. The room can be rented on Monday, Tuesday, Wednesday, or Saturday evening. The trustees will make satisfactory arrangements with the right parties. In the unavoidable absence of Commander White, Senior Vice Commander Wm. T. Castic took command burg, Ky.—Of Co. GEORGE T. BROWN, Commander-in-Chief, Sons of Veterans,

No. 50 Broadway, New York City. DEAR SIR: I have the honor to inclose herein copies of General Orders, No. 11, issued by me Oct. 7, 1890. This order contains resolutions adopted by the eighth and ninth annual meetings of the Commandery-in-Chief, Sons of Veterans, U. S. A., ommonly known as the Camp System, looking to a consolidation of the two organizations of Sons of Veterans. The committee named is composed of able, conscientious brothers, having full authority to act within the terms of the resolutions. For the Order, which, for the time being, I have the honor to command, I ask your favorable consideration of the advances made by us. I am confident that the sentiments expressed in the order designating the committee will find a warm and hearty response in the hearts of all for whom I speak. We feel that we are joint heirs with you in the richest beritage ever bequeathed to men-a free and united country-made so by the services and sacrifices of our fathers, and we believe your members and ours are the rightful successors of the Grand Army of the Republic; that the duty of preserving intact the country saved by your fathers and our fathers, of maintaining unsullied the flag of our country, of fostering and perpetuating our free institutions, is a common one. Like you we are non-partisan and non-sectarian. We agree with you that our fathers were right, and that those who sought to destroy the unity and integrity of the Republic were wrong; that patriotism, love of country, devotion to the principles of free government, equal rights, human liberty, and universal justice, always was, and ever will be right. We believe that the re bellion was wrong, that treason was and is a crime, Believing all this, the following are our principles and objects as stated in our Constitution:

SECTION 1. A firm belief and trust in Almighty God, and a realization that under His beneficent guidance the free institutions of our land-conserated by the services and blood of our fathers, have been preserved; and the integrity and life of the Nation maintained, SEC. 2. True allegiance to the Government of the United States of America, based upon a respect for,

and devotion and fidelity to, its Constitution and laws, manifested by the discountenancing of anything that may tend to weaken loyalty, incite to nsurrection, treason or rebellion, or in any manner mpair the efficiency and permanency of our

SEC. 2. To aid the members of the Grand Army of the Republic in the earing for their helpless and disabled veterans; to extend aid and protection to their widows and orphaus; to perpetuate the memory and history of their heroic dead, and the proper observance of Memorial Day. SEC. 3. To aid and assist worthy and needy mem- Rice Rowe. SEC. 4. To inculcate patriotism and love of country, not only among our membership, but among

all the people of our land, and to spread and sus-

tain the doctrine of equal rights, universal liberty,

To perpetuate our organization for the dissemination of these principles and objects we admit the sons not less than 18 years of age of honorably-discharged soldiers, sailors and marines, who served in the Union Army and Navy during the civil war of 1861-1865; also, upon attaining the age | Rigby. of 21 years, all sons of members of the Order, in

succeeding generations," and no others. That your organization has in view the same purpose as ours is conceded, but it must be apparent to all that one organization founded upon such grand principles, having in view such noble objects, can accomplish far more than the two organizations as they now exist. The National Enampment of the Grand Army of the Republic, having extended the Sons of Veterans, U.S. A., its official recognition and indorsement, we ask you join and share with us the privileges and benefits derived from this recognition, and in building up and maintaining the foregoing principles and ob-

Hoping and believing that the action of the Commandery-in-Chief will meet your approval, and that through the efforts of yourself and the committee, consolidation may be accomplished, I am truly and fraternally yours,

LELAND J. WEBB, Commander-in-Chief Sons of Veterans, U. S. A.

General Orders, No. 11, issued at Topeka, Oct. 7, by Leland J. Webb, Commander-in-Chief; Clay D. Herod, Adjutant-General, are as follows: At the ninth annual meeting of the Com-mandery-in-Chief, Sons of Veterans, U. S. A., held at St. Joseph, Mo., Aug. 26-29, 1890, the following

resolution was adopted: Resolved, That a committee of five be appointed o complete consolidation in United States with the Post system. That the present Posts S. of V. in good standing be permitted to come into the Camp system S. of V., U.S.A., upon the terms and conditions provided for in the resolution of eighth annual Encampment. That all Posts coming into the Order of S. of V., U.S.A., on or before Dec. 31, 1890, shall be entitled to a Camp packet and charter free of charge, and that all Division officers and Post officers who shall come in with their Posts prior to Dec. 31, 1890, or who have heretofore come n, shall be accorded corresponding rank and past ionors as they are at the time entitled, and sitting officers shall rank as past officers: Provided, however. That no member of a Post who has previously been a member of a Camp shall be received into membership by virtue hereof, unless such member shall have been in good standing in the Camp of which he was last a member.

At the eighth annual meeting of the Commandery-in-Chief, Sons of Veterans, U.S.A., held at Paterson, N. J., Sept. 19-13, 1889, the following reslution, above referred to, was adopted: Resolved, That our Constitution, Rules and Regdations be so changed as to make legal the use of either the term "Comrade" or "Brother," in the designation of members, and the titles of Camp officers may be as they now exist under the C. R and R. of either system, at the option of Camps, By virtue of the resolution first above quoted, the following committee is appointed: Chairman, Gen. George W. Pollitt, Paterson, N. J.; Col. George H. Perkins, Atlantic City, N. J.; Past Col. Edward W. Hatch, Buffalo, N. Y.; Capt. John V. B. Clark-

II. The Chairman of this committee will imme liately communicate with George T. Brown, No. 0 Broadway, New York City, Commander-in-Chief of the Sons of Veterans, (Post system,) with above resolutions. The other members of the committee will hold themselves in readidess to

III. All officers and members of the Sons of Vet gan, Excelsior Brigade, who afterward became erans, U. S. A., are enjoined to give all assistance Captain or Lieutenant of colored troops; by Geo. in their power to the committee to the end that the F. Brandon, Bellefonte, Pa.—Of Herman Sum- objects sought by the resolutions of the Comobjects sought by the resolutions of the Commandery-in-Chief may be attained. All should consider the questions involved in a spirit of fair ness, of Friendship, Charity and Loyalty, to the end that all sons of ex-Union soldiers, sailors and marines may unite under one banner, and stand shoulder to shoulder in perpetuating the principles and objects of the Sons of Veterans. The differences which have existed between the Sons of Veterans, U. S. A., and the Sons of Veterans known as the Post system, consist more in form than in substance, and it is hoped and believed that if the representatives of the two organizations meet and con sider the questions involved in a proper spirit, that when their labors are concluded there will be but one organization of the Sons of Veterans.

The advances heretofore made, and now made by the Sons of Veterans, U. S. A., to the officers and members of the Post system have been, and now are, made in good faith, and we extend to all members of the Post system the right-hand of fellowship, asking that they too consider the questions involved in the same spirit which is hereby requested and enjoined of the members of the Camp system. Our fathers offered their lives for the same cause, endured the same trials and privations, mingled their blood on the same battle fields, and many of them gave their lives for the perpetuation of the free institutions which we now enjoy. Let us, therefore, stand elbow to elbow man he sent down to the Custom House to get | and shoulder to shoulder, as did our fathers, in maintaining the principles of free Government and universal liberty which they have bequeathed us, and caring for the aged and distressed veterans, their widows and orphans. This can be best ac

complished by a consolidated and united front. -THE DIVISIONS.

TO ADJUTANTS AND UAPTAINS.—THE NATIONAL TRIBUNE has the interest of the Sons of Veterans at neart, and wishes them to consider that its colums are always open for the publication of matters of moment to the Order. Let us have newsy letters from your Camps and items of personal interest to the brothers. Please forward Camp elections and all Camp and Division Rosters, when published, for file and future reference.

ALABAMA AND TENNESSEE. Orders No. 7, issued at Chattanooga, by command of Robert W. Biese, Colonel-A. B. Adams, Adjutant-contain the following: These Headquarters free. VOLTAIC BELT Co., Marshall, Mich. | have been provided with new books throughout

for the keeping of the Division Records. It is possible to complete some of the records from the old set of books, but in order that these Headquarters may possess a complete record of every member of this Division blanks have been prepared. All Captains are hereby directed to send, on these blanks, the full record of all members of their Camps who have been mustered since its first or-ganization. This may be obtained from the Camp Descriptive Book. Do not send names of charter members, but only those mustered since the first organization. It is hoped that an effort will be made to reinstate all suspended Camps. Will not each brother in the Division constitute himself a committee of one to help toward the resurrection of the Camp that is nearest him? If so, we will soon have none but live, healthy Camps. The following Camp officers have been elected and installed since last orders were issued; Benj. Har-The following letter to George T. Brown, Commander-in-Chief of the Post System of Sons of Veterans, was written under date of Oct. 8, by Comerans, was written under date of Oct. 8, by Comerans, was written under date of Oct. 8, by Comerans, Capt., Charles T. Farragut Camp, 1, of Denver, had a bean-bake blowout on the evening of Oct. 7, the seventh anni-versary of the organization of their flourishing Camp. Speeches were made and a fine time is KANSAS.

Officers of the following Camp are: Camp 202, Corning: Captain, F. A. Brode; First Lieut., G. B. Peck; Second Lieut., S. W. Verman; Chap., W. E. Geer, jr.; First Serg't, E. B. Vining; Q. M. S., H. A. Davis; S. G., M. O. Conner; Color Guard, T. W. Vernon; Principal Musician, J. H. Zolar; C. G., T. L. Hubbard; Camp Guard, J. A. Thompson; Picket Guard, J. O. Dunlap.

MINNESOTA. Orders No. 11, issued at Red Wing by command of E. D. Morris, Colonel-C. S. Sultzer, Adjutantcontains the following: The following Special Aids have been appointed since our last orders were issued; F. D. Arneis, Camp 59, Princeton; Curtin Cooper, Camp 61, Mankato. They will be respected and obeyed accordingly. The time is fast approaching when new Camp officers will be elected. This is a very important matter, and the members should consider well whom they will have to act as their standard-bearer for the coming year. The Captain should be a person who has special qualities for the position. Do not elect a brother to this office just because he is a good fellow, but consider the fact as to whether he is qualified and will attend to his duties. An incompetent and careless Captain will kill any Camp. Elect a good Captain and then stand by him. Newly-elected Captains should take special care as to whom they appoint to the responsible positions of First and Quartermaster Sergeants. Upon the selection of these two officers depends, in a great measure, the success of his administration. Appoint only those who will perform their duties in an acceptable manner. In accordance with Orders No. 10, we hereby announce the first 10 Camps forwarding the reports for the third quarter of 1890, as follows: Camp 60, Buffalo; 52, Royalton; 51, Sauk Center; 39, Little Falls; 10, White Bear Lake; 50, Alexandria; 53, Montrose; 33, Red Wing; 1, St. Paul; 4, Minneapolis. The season has arrived when the officers and members of Camps should begin to turn their attention more particularly to the upbuilding of their several Camps. Inaugurate some scheme that will create a renewed interest in the meetings; plan some entertainment that will replenish the Camp treasury in short, work for the interests of the Order, and you will be surprised at the results that will follow. Do not wait for some other brother to lend the way, but go ahead yourself.

HONORS TO A PRIVATE. A Sergeant Sacrifices Soldierly Standing to Princi-

THE NATIONAL TRIBUNE tells every week of the Reunions of various regiments throughout the country, and every now and then of honors extended and receptions given to some Colonel or Brigadier or Major-General. A meeting was held in Providence, R. I., on Satand all members of the Order you command to urday night, Sept. 28, which was worthy of special mention, since it was out of the ordinary

It was an almost full meeting of the survivors of the 4th R. I. to do honor and extend a welcome to their old friend and comrade in the ranks, Serg't Albert E. Sholes, of Co. I. now resident in Georgia, and Past Senior Vice Commander of that Department of the Grand Army. At the annual Reunion of the regimental association in July it was learned that Comrade Sholes would in September visit his native State, and it was voted unanimously to tender him a reception at that time, and in accordance therewith the meeting was held as mentioned, and a welcome given him that he must be proud of. Members of the regiment were present from all parts of the little State, and some from Massachusetts, and it was an enjoyable time for all. Comrade Sholes was one of the faithful ones of the 4th in every fight, on every march, always ready to take the place of a sick or broken-down comrade, and he soon won and always retained the affection of all the boys; but there is one special reason why the 4th R. I. are glad to remember him kindly and show their regard for him still. The story is too long to tell in detail now. In brief, the facts are these: An outfit of clothing was given by the State of Rhode Island to the 4th when it entered the service. In the Winter of 1863, when the 4th was paid off for six months, the payment covering the one due at end of its first year of service, this State clothing was mixed with the U. S. clothing account, and its value, \$36.50, was deducted from the pay of each man present. It was never deducted from the pay of any man discharged during the year, or from any man who was absent from the regiment and paid while absent. Serg't Sholes protested against the deduction, and advised his company not to sign the roll, and they did not until after every other company had been induced to sign, and he signed last of all. For his earnest protest against this wrong he was reduced to the ranks, and remained a private for more than a year, refusing promotion afterward at the hands of the officers who had been parties to his reduction. In the later years Comrade Sholes has been active, although living far away from his old home and friends, in his endeavors to have this wrong of 27 years ago righted. He has written a statement of a view of carrying into effect the provisions of the the facts for presentation to the General Assembly of Rhode Island, has appealed to the Governor, and has materially aided in putting the matter in such shape that there is reason to believe a few more months will see each living comrade of the 4th, and the widows and orphar of the dead, reimbursed the principal and in

terest of the sum thus taken from them nearly generation since. Comrade Sholes has been for many years a citizen of Georgia, residing in Savannah, and to him is due the fact that there is to-day a Department of Georgia of the Grand Army, he having organized all of the Posts of that Department, with the possible exception of two. The years that have gone since the war have not changed him at all, and to-day he is as ready as when he marched and camped and fought with the 4th to ald with heart and hand and purse any comrades who need his asssistance.

> Horserneing in Cologne. The Illustrated American.

An interesting experiment has been tried in the ancient city of Cologne. A race-track was started by some enterprising capitalists. But it came to grief because the citizens displayed an enterprise on their own part which was unexpected in so staid a community. They got on to all the devices of the American juvenile baseball crank who saves his quarter and gets an excellent view of the performance by perching on neighboring trees and telegraph poles It appears that the adjacent hights offered an excellent coup d'ail of the track, and the 500 people who came to witness the race declined the seductions of the grand stand and the field and remained interested spectators on the outside of the fence. Betting had been forbidden by the police, on the ground that all the horses belonged to one man, which showed an intuitive knowledge of the latest devices of the horse-lover that is very creditable to the heads. at least, if not the hearts, of the Cologne au thorities.

TO ALL LADIES WHY BUY A WATCH?

You Can Get the Best Going as a Free Gift with a Club of Only Ten Subscribers.

IS A WATCH-NOT A TOY!

Any Jeweler Can Take it Apart and Put it Up Again!

THE "TRENTON" is the best Watch, for the money, in the world. Jewelers and experts have been puzzled and astonished by its elegant appearance and perfect time-keeping qualities. It is the result of Yankee genius and years of labor combined. This watch is a marvel for accuracy and cheapness, and we can now, for the first time in the history of watchmaking, offer our subscribers a cheap Watch, which, as a timekeeper, is equal in all respects to the best made anywhere, and is superior to any other cheap watch. The "Trenton" has a jeweled balance, removable without taking off the top plate, is a stem wind and stem set, with back ratchet. It is a three-quarter plate, with quick train (18,000 beats per hour.) All

the movements are carefully regulated and inspected before leaving the factory. The "Diamond Silver Case," in which the works are placed, is the best combination of Silver and Nickel ever used. It is worth more than pure silver, and is better. They are solid, not plated, and will wear the same until worn through to the movement. The snap back will keep out the dust and dirt, and is a dust-proof case, thus avoiding the expense and bother of cleaning

THE TRENTON is no experiment. It is an assured success, and pronounced so by all who have seen it. THE WATCH for the million. OUR OFFERS.

We offer this splendid, warranted timekeeper free, postpaid to any one who will send us a

THE NATIONAL TRIBUNE proposes to put a stop to swindling country people on Watches of so-called high grades.
